

Life on Earth depends on me.

I'm the closest planet to the sun. I'm a ball of iron. I have no moons.

I'm the same size as Earth, but I spin the other way, and much more slowly. I have no water.

It's the place where we all live. There is land and lots of sea, so I look blue. I have one moon.

I'm a rocky red planet. My mountains are the highest in the solar system. I have two moons.

I'm a gas giant. I'm the biggest and I spin fastest. I have the biggest moon.

I'm a gas giant. My rings are made of ice. Titan is my biggest moon.

I'm an icy gas giant. I'm the coldest planet in the solar system. I have rings made of dust.

I'm an icy gas giant. I'm the further from the Sun. I have many storms.

Planet	Description of Planet	Justification for Choosing this Description	Name of Team	Explanation for Name of Team
Jupiter	I'm a gas giant. My rings are made of ice. Titan is my biggest moon.	<i>This description is justified because of the word 'rings'. Jupiter has many rings.</i>	Artemis Program	We want to go to the moon and Artemis was the goddess of vegetation. We like vegetation.
